Dear Friends,

Happy New Year! As you think about the New Year, we ask you to consider sponsoring the Mascoutah Little Indians Youth Football Program. We are recognized as a tax exempt organization under section 501(c)(3) of the Internal Revenue Code. Because we are a public charity, your sponsorship can be tax deductible. We invite you to be part of something where you can make a difference!

We have big plans for 2010. In 2009, we had 240 football players and 75 cheerleaders, a remarkable number considering it was our first season. This year we expect as much as a 25% growth and have already had more than 70 players register. We continue to keep our registration fees low so that more children can participate. As such, your support is very important.

This season we will compete in the Southwestern Illinois Youth Football Conference. Like last season, we expect to practice in Scheve Park, and we anticipate hosting 40 or more home games on a temporary field set up on the west side of the park.

As you may imagine, running a tackle football program is expensive. For example, we are still paying for our initial equipment outfitting, and there are operating costs such as insurance and referee fees. At some point in the near future, possibly as early as this year, we need to build a permanent field to host our home games.

This year, we are offering four levels of sponsorship. We will recognize our sponsors all year long on our website and during our home games throughout the season.

Little Indians Football benefits the community in several ways. First, the 300 families involved indicate a huge demand for youth football in Mascoutah. Your support helps bring our children together so we can teach them our own values for sportsmanship. Second, there is clearly an economic benefit with opportunities for our local merchants and businesses. As mentioned, we will host 40 or more home games each season, with each visiting team bringing on average 25 to 30 players and their families. Third, healthy youth sports programs help make Mascoutah a great place to live and to raise families.

We greatly appreciate your time and ask you to seriously consider sponsoring the Mascoutah Little Indians Youth Football Program. Please feel free to contact us with your questions.
