

Dear Little Indians Parents,

On the heels of our inaugural season, Melissa Norwood and I have embarked on a mission to collect recipes from all of our parents to put in a cookbook for a fundraiser. The cookbook will be a collection of our football players, cheerleaders, coaches, parents, and friend's favorite recipes. We want all types of recipes from favorites at the holidays to quick and easy dishes you might serve before practice. Any and all will be accepted. Please make sure you add who the recipe is from so we can give them the proper credit in the cookbook. Please email your recipes to either the fundraising or concessions email which can be found below or on the organization website.
